Plenary Session

Open Session

Closed Session

TUESDAY, November 17, 2009 Continued

2:10 pm - 2:30 pm	Transcriptional Profiling of Archived PBMCs to Characterize Vaccine and Placebo Recipients as a Function of Baseline Ad5 Titers Speaker: Bob Palermo
2:30 pm - 3:00 pm <i>Princessa Foyer</i>	 Break Food and Beverages are Available in the Princessa Foyer
3:00 pm - 4:30 pm <i>Princessa I</i>	How do I know you understand? A training on the new assessment of understanding for informed consent.  This training will introduce the new HVTN assessment of understanding that will be required for use in future HVTN trials. The new assessment uses a "short answer" approach to assessing understanding, rather than the T/F approach we currently use. The training should be attended by anyone who currently administers assessments of understanding to trial participants. We expect staff members who attend to train others at their respective sites.
3:00 pm - 4:30 pm <i>Tolmie</i>	Risk Reduction Counseling Worksheet Drop-in Intended for RRC Mentors, Risk Reduction Counselors, Clinic Coordinators and others involved in RRC to discuss challenges with the implementation of the RRC worksheet or for those who want to know how to use it more effectively.
4:30 pm - 5:00 pm <i>Tolmie</i>	Risk Reduction Counseling Worksheet Role-Play Trainers will demonstrate, via model role-play, how to use the RRC worksheet in a counseling session.
3:00 pm - 7:00 pm <i>Princessa II</i>	SRC/LSAC Meeting
3:00 pm - 5:00 pm <i>Menzies</i>	GeoVax: HVTN 065 and 205 Protocol Teams
3:00 pm - 5:00 pm <i>Sherman</i>	HVTN 503 Intended for Protocol Members, this session will review manuscripts and proposed secondary analysis.
3:00 pm - 4:30 pm <i>Stevens</i>	U.S. Regional CER and NHVREI Partner Meeting
3:00 pm - 4:00 pm <i>Discovery</i>	HVTN 505 Protocol Team
4:00 pm - 5:00 pm <i>Washington</i>	HVTN 910/VISP Protocol Team
4:45 pm - 6:45 pm <i>Princessa I</i>	General CER Meeting Appetizers will be provided 
5:00 pm - 6:00 pm <i>Stevens</i>	Protocol Committee Appetizers will be provided
5:00 pm - 7:00 pm <i>Washington</i>	Novartis Development Team Appetizers will be provided
5:00 pm - 6:00 pm <i>Sealth</i>	Adolescent Coordinating Committee Appetizers will be provided
6:00 pm - 7:00 pm <i>Menzies</i>	NHP Early Career Investigators (ECI) Social Hour Appetizers will be provided
