Driving Directions

From Northbound on I-5

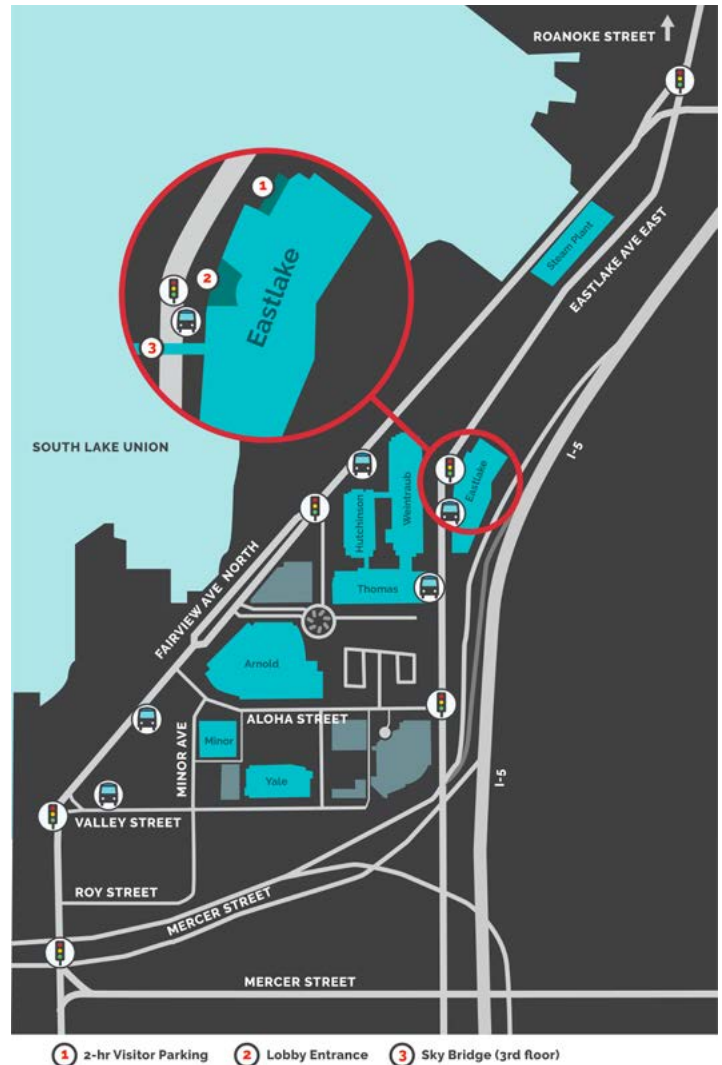

Take exit 167 to Mercer St/Seattle Center.
Keep right at the fork, follow signs for Mercer St/Seattle Center, and merge onto Fairview Ave N.
Turn right onto Fairview Ave N.
Continue past the front of the Fred Hutchinson Cancer Research Center campus to the traffic light at Eastlake Ave. E.
Make a sharp right turn onto Eastlake Avenue E.
Building will be on your left.

From Southbound on I-5

Take the Boylston Ave E exit 168A to Roanoke St.
Turn right onto Roanoke St.
Turn left at Eastlake Ave E.
Stay in the left lane (right lane will “fork” to Fairview Ave.).
1100 Eastlake will be on your left.

Visitors' Parking

There are several free parking spaces for visitors inside the garage. The garage entrance is located on the north end of the building ①. Park and take the elevator to the first floor lobby to sign in at the security desk. Metered street parking is also available.
